Rehearsal Report #2

Tuesday, February 3rd, 2026

7:00 - 10:00 PM

GENERAL INFORMATION	TARDINESS, INJURIES & ILLNESS
We read through the beginning of our new draft today and then reflected on our thoughts regarding what parts we liked and what parts we missed. Afterward, we spent the rest of rehearsal with a physical exercise for the cast where they remade the space they envision in the script using everything they can in the room.	BERKEM was not with us today!

SCRIPT CHANGES
We've gotten new pages! They are the beginnings of a <i>new</i> draft (pgs 1-45) and thus, we will keep our old script handy.

NOTES
Next Monday 2/9, BECKY our dialect coach will be joining us to help the cast through the accents. She will meet with the cast one-on-one on a Zoom call to follow up and work with her.

TOMORROW'S SCHEDULE
<i>No rehearsal! See you next week!</i>
